series in different languages

# Aarya Singh

Graphic Designer

01

## PROFILE

Hi! I am a final-year Applied Arts student. I am a curious person with a creative mind who loves to tinker, invent, and create. I have a passion for communicating ideas, problem-solving and helping others while learning as much as I can. I have done so by volunteering and undertaking freelance gigs, which provided me with an opportunity to explore.

02
